We're getting there. I don't think we are going to make April 11th- mainly due to external work (car park, fencing etc.) Bookings can be taken from May onwards. Three schools have taken up our free taster day offer. These are now full. Other schools are now booking for the summer term. General information leaflets were sent into schools, please ask if you want more sent and a booking form.

There will be a list of dates for opening events and INSET published soon. In the meantime- you're welcome to visit.

All the windows and doors are in. They are all made from wood and low e glass- designed to let heat in- but not out.

All the walls have to be plaster boarded as this resists fire.

The solar panel on the roof will provide the bulk of the hot water for handwashing etc.
